

CELTIC ORIENTAL LTD

ALLERGEN POLICY

In line with current legislation, CELTIC ORIENTAL LTD are committed to:

- Clearly defining all allergenic materials used for production, including additives whose generic names may be legally excluded.
- Indicating which allergens are likely to be in our produce.
- Preclude in whichever ways possible, the risk of inadvertent contamination.
- Doing our best to avoid passing on unsolicited allergenic materials from our suppliers.
- Operating our factory in such a way as to avoid any cross-contamination of allergenic materials into products declared free from any specific allergen(s).
- Notifying our customers of any likelihood of any additional allergenic risk resulting from new development work on site.
